## **PACS NEWSLETTER FEBRUARY 2006**

### **PACS ANNUAL GENERAL MEETING**

Our next AGM will take place on Tuesday 21 March 2006. As in a previous year, we thought it would be nice if for our AGM we went out for a meal, to be paid by PACS, instead of just cheese and wine! This will be held at [Herman's Restaurant, Marplace House, Broad Street, Stirling at 7.30pm](#). It will be very good if some of you can make it. **Please let me know by email or by letter by Tuesday the 14<sup>th</sup> of March if you would like to come.**

### **Social get-together**

We are planning something for parents and children towards the end of April. More details nearer the time.

### **'Adoption and Attachment - from Understanding to Practice'**

This is advance notice of a whole day seminar on the 3<sup>rd</sup> of June 2006 by Dr. Helen Minnis, organised by Adoption UK, whose trainers will be going through parenting strategies in the afternoon. The venue is the Aberlour Training Room in Greenside Place, Edinburgh. The leaflet for the day will be out shortly which I'll send out to you. The cost of the seminar will be covered by PACS. Hope you are interested.

**Look forward to seeing you at the AGM.**

Best regards
