**PACS NEWSLETTER – SEPTEMBER 2006**

**Families Get-together**

Saturday October 21 – 12.30 -3.30pm

Logie Kirk Hall, Alloa Road

Causewayhead, Stirling FK9 5LH

In the last PACS Newsletter of May 2006 we mentioned a get-together for September. Its taken us a little longer to arrange this, but we hope this will be something a little bit different and fun.

There will be a musical workshop given by Yasmin Fraser from ‘**Musical Minors**’.

Lots of singing

Percussion Instruments

Puppets

&

Bubbles!

Yasmin writes:

“ The workshop will introduce music and percussion to children within a relaxed and informal group setting and they have an opportunity to socialize and meet new people. Parents can join in as well.

For toddlers and pre-schoolers there is the added and all important element of movement. The older children are also encouraged to be more creative in their thinking, especially when using the puppets, and to develop an appreciation for music and the instruments they use. Come and join the fun on the 21 October”

Lunch will be provided and a creche will be available. Please let me know by Saturday October 14, at the latest, if you can come by sending me the slip below, or by email or phone with the requested information.

I very much look forward to hearing from you.
